

The Jewish Question

The Jewish question is the most important question before the world, not excepting the hydrogen bomb, war, juvenile delinquency, and what is known as Communism (Bolshevism). Thousands of people know this, and millions of people in the world know the Jews have been at the bottom of all movements which have disrupted governments. All the time and money spent in combatting Communism is wasted if we are to allow the Jews to keep hidden their part in bringing about the frightening situation facing the United States.

It is extremely important that people who do sound thinking understand what happened in Europe during the many years past; why the Jews abandoned Europe and have been swarming into the United States, South America and other countries. It is important because these same Jews who ruined Europe, and brought about the death of millions of people in two world wars, are right in these United States today and boast that never in the history of the world have they had so much power.

The Jews have used their influence on the Immigration Dept. to prevent the public from realizing there are at least 13 million Jews in the United States today, four million illegally.

In their Jewish publications, whenever they refer to their population, they say their number amounts to about 5½ million. This, of course, is ridiculous, but they do this for two reasons: (1) They must account for the six million Jews killed in Germany (which number is, of course, false, the number of Jews dying from the bombings and other causes, having amounted to some 300,000). Compare this with 30 million non-Jews who were killed by the Jewish-controlled Soviet Union before the U. S. was forced into the war by the American Jews to save communism. (2) The Jews do not want to excite the American people through the latter's realization that there is such a large number of Jews in the country.

During 1940 and 1941, a number of polls were taken—one of them by the New York NEWS, the largest paper in America—these polls showed that 83% of the population were opposed to the U. S. going into the war; but the hysterical Jews, with the backing of the Roosevelt Administration which they controlled, and with newspapers not daring to go against them for fear of becoming bankrupt through loss of advertisers, led us into the war, regardless.

It is well to realize that today, with twice the number of Jews in the U. S. and with the added power of television, which they completely control, they are in a position to push us into another war—or prevent us from protecting ourselves against a ruthless nation.

We have proof by the thousands of the fact that they, and they alone, financed and set up communism in Russia in 1917 and then spread it over the world, and that they are a Christian-hating world conspiracy. This, regardless of all their brotherhood campaigns.

The above gives you the reason that COMMON SENSE constantly gives you proof of this anti-Christian conspiracy.

THE TESTIMONY OF THE BRITISH GOVERNMENT

"The danger is now so great that I feel it my duty to call the attention of the British and all other Governments to the fact that, if an end is not put to Bolshevism at once, the civilization of the whole world will be threatened. This is not an exaggeration, but a sober matter of fact. . . I consider that the immediate suppression of Bolshevism is the greatest issue now before the world. . . and unless, as above stated, Bolshevism is nipped in the bud immediately, it is bound to spread in one form or another over Europe and the whole world, as it is organized and worked by Jews who have no nationality and whose one object is to destroy for their own ends the existing order of things."

— Confidential report of Britain's representative in Russia quoted in the White Paper entitled Russia No. 1 (1919), A Collection of Reports on Bolshevism in Russia issued by the British War Cabinet in January 1919.

THE TESTIMONY OF THE RUSSIAN GOVERNMENT

"The events which took place in Russia during 1905, and which assumed especially acute forms at the beginning of October last, when, after a series of strikes, they brought about an armed revolt in Moscow, and many other towns and localities of the Empire, plainly indicate that the Russian revolutionary movement . . . has also a quite definite international character. . . One is bound to the conclusion that there are foreign capitalists' organizations which are interested in supporting our revolutionary movement. . . If we add to the above that, as has been proved beyond any doubt, a very considerable part among these heterogeneous nationalities is played by Jews, who, as ringleaders in other organizations, as well as through their own, have always come forward as the most bellicose element of the revolution, we may feel entitled to assume that the above-mentioned foreign support of the Russian revolutionary movement comes from Jewish capitalist circles. . . Moreover, certain very significant facts . . . quite confirm the obvious connection of the Russian revolutionary movement with foreign Jewish organizations."

— Confidential report of Count Lamsdorf, Russian Foreign Minister, to the Czar Nicholas II, quoted in full in the American Hebrew and Jewish Messenger of July 13, 1918.

THE TESTIMONY OF THE AMERICAN GOVERNMENT

"In February, 1916, it was first discovered that a revolution was being fomented in Russia. It was found out that the following persons as well as the banking-house mentioned were engaged in this work of destruction: Jacob Schiff (Jew); Guggenheim (Jew); Max Breitung (Jew); Kuhn, Loeb & Co. (Jewish Banking-house), of which the following are the directors: Jacob Schiff, Felix Warburg, Otto Kahn, Mortimer Schiff, S. H. Hanauer (all Jews). There can be no doubt that the Russian revolution, which broke out a year after the information given above had been received, was launched and fomented by distinctively Jewish influences. As a matter of fact, in April, 1917, Jacob Schiff made a public declaration that it was thanks to his financial help that the Russian revolution had succeeded. In the spring of 1917, Jacob Schiff began to supply funds to Trotsky (Jew) to bring about the social revolution in Russia. . . Through Stockholm, the Jew, Max Warburg, was likewise furnishing funds to Trotsky and Co. . . Thus the communications were set up between the Jewish multi-millionaires and the Jewish proletarians. . . it will be manifest that the Bolshevik movement is in a certain measure the expression of a general Jewish movement and that certain Jewish banking-houses are interested in the organization of this movement."

— Report of the United States Secret Service on the financing of the Russian Revolution sent by the U.S. Government to all the Allied Governments of World War I.

'THE RED GUILLOTINE'

She's A Woman, 60, But Widely Feared

By Nino Lo Bello
Greensboro Daily News, Oct. 21, 1962

BERLIN, Oct. 20—Her name is Hilde Benjamin, and her title is Minister of Justice for East Germany. To the Germans, however, she is "The Red Guillotine"—and well the most feared executioner in any of the Communist satellite countries.

Frau Benjamin, now 60, earned her odious nickname in November, 1950, when in the period of one week she guillotined 41 persons, two of them pregnant women, who had tried to sneak into West Germany. Since then the blood-stained witch (another friendly appellation she's known by) has chopped the heads off more than a thousand people to show her Moscow bosses she knows how to carry out the law.

The Ministry of Justice keeps the official government blade in the cellar of the menacing greystone People's Court Building on Rathaustrasse. According to East German law, all decapitations must be supervised by the Minister herself. Moments before she nods for the heavy ax to be released, Frau Benjamin usually engages the condemned in quiet conversation.

Lives Alone

Hilde Benjamin lives by herself today, forever surrounded by three huge bodyguards who keep an around-the-clock eye on her.

Two top communists in East Germany are Hilde Benjamin and Gerhardt Eisler (public relations chief), both Jews.

ARE WE TO SUPPORT THE WORLD?

When the government cannot collect the money quick enough from the taxpayers, they borrow from Wall Street bankers. The interest on that is NINE BILLION a year and the taxpayer must pay this also. It is now known that the money we gave to the Latin American countries was used to pay their debts to European countries.

HAVE YOU HAD ENOUGH?

KENNEDY-ROOSEVELT

This article is interesting in view of the fact Kennedy pledged himself at Roosevelt's grave to take up the banner where FDR laid it down.

Hon. William Lemke of North Dakota in the House of Representatives, Saturday, July 26, 1947.

Mr. Lemke. Mr. Speaker,

We entered World War II—a war that others started and we finished. That war, to date, has cost us over \$450 billion. We collected \$190 billion in taxes, and plunged the Nation \$260 billion into the red. Our national debt, with future obligations, now amounts to some \$623 billion. This is about four times the total indebtedness of all the other nations. It is more than twice the normal value of all the property in the United States. The end is not yet. If we continue this international lunacy, then it will be just the beginning.

The total expenditures of our Government, from its birth in 1776 to 1933, were less than \$90 billion. This included the Revolutionary War, the War of 1812, the Mexican War, the Indian Wars, the Civil War, the Spanish-American War and World War I, up to 1933, and, in addition, all the other functions of our Government. Compare this \$90 billion with the over \$887 billion spent in the last 15 years—the Roosevelt global era.

A Great American Is Gone

Merwin K. Hart, one of the top real Americans of today, died November 30, 1962 at the age of 80.

Mr. Hart founded the National Economic Council in 1930 and has done a most remarkable work in correctly informing many people on the meaning of Americanism. He had courage, ability, and used good judgment in fighting his many battles for his Country.

We trust proper arrangements will be made to carry on the patriotic work started by Mr. Hart.

Americanism . . . defined

IF you want your father to take care of you, that's Paternalism.

IF you want your mother to take care of you, that's Maternalism.

IF you want Uncle Sam to take care of you, that's Socialism.

IF you want your comrades to take care of you, that's Communism.

BUT

IF you want to take care of yourself, that's AMERICANISM.
